

# Incursions Policy

## **RATIONALE:**

**The school's incursion program enables students to further their learning by complementing classroom lessons with experts and resources from outside the immediate school community. Incursions complement, and are an important aspect of the educational programs offered at our school. An incursion is an activity that involves school visitors who provide a performance or service for the students for a fee.**

## **AIMS:**

- To reinforce, complement and extend the learning opportunities beyond the classroom
- To develop an understanding that learning is not limited to school and teachers, and that valuable and powerful learning is often achieved with other people and experiences.

## **IMPLEMENTATION:**

- All incursions must be approved by the Principal
- Staff wishing to organize an incursion must complete an excursion proposal form and lodge this for approval by the Principal.
- All incursions will be attended by staff at the school to ensure that appropriate staff are responsible for the supervision of students at all times. In the event of an accident or emergency the teacher in charge will be responsible for the administration of first aid, and will contact parents as appropriate. In the event that parents cannot be contacted, the teacher in charge will follow first aid and emergency policies as set out by the school.
- All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend an incursion, are invited to discuss alternative arrangements with the Business Manager/ Principal. Decisions relating to alternative payment arrangements will be made by the Business Manager in consultation with the appropriate staff, on an individual basis.
- All families will be given sufficient time to make payments for incursions. Parents will be provided with permission forms and incursion information clearly stating payment finalisation dates. Children whose payment has not been finalised prior to the incursion will not be allowed to attend unless alternative payment arrangements have been organised with the Business Manager.
- Office staff and classroom teachers will be responsible for managing and monitoring the payments made by parents.
- A designated "Teacher in Charge" will coordinate each incursion.

- The Teacher in Charge must provide the General Office with a final student list. This list must also include the location of students not involved in the incursion.
- Students not attending the incursion will be provided with suitable alternative activities.
- An incursion with an external provider does not absolve supervision duties of the teacher, including first aid duties. A teacher must be present at all times and remain the person designated with duty of care responsibilities.
- Organising teachers will give sufficient information to allow parents to make an informed decision about whether to permit their child to participate in the activity.
- Under the Summary Offences Act 1966 and subsequent amendments, the principal reserves the right, and has the authority to prohibit any potential visitor from entering or remaining within the school, and also has the authority to invite or exclude people from using or being within the school boundaries outside school operating hours.
- The school's emergency management procedures will ensure that visitors, visiting performers or presenters within the school at the time of any emergency or practice drill will be recognised and be appropriately catered for.
