School Motto

'From Little Things Big Things Grow'

PLEASE REMEMBER we are an 'egg & nut free' school: no eggs, peanut butter, nuts or nutella spread to come to school at any time. Please assist us to keep our students safe. Thank you.

**Principal Views****NEXT SHOW AND SHINE MORNING**

The Community Engagement team invite you to the next Show and Shine morning on Thursday November 7th. If you haven't had a chance to call into your child's room as yet this year please make an effort to do so. The Year 4s are also opening their doors to showcase their Project Based Learning activities on this morning.

**SUSTAINABILITY DAY**

Each year we hold a whole school Sustainability Day where our students gather in their Sustainability Teams: Water, Waste, Energy or Biodiversity to learn new ways to care for our environment and to share their ideas. Today the teams were very busy around the school

- ★ Planting garden beds with new trees and plants,
- ★ Mulching to reduce water evaporation,
- ★ Riding bikes to make healthy fruit smoothies,
- ★ Making games to be used in classrooms,
- ★ Raising funds for sustainable projects by wearing their team colours,

We hope you enjoyed the photos posted on our facebook page throughout the day. Please talk with your child to learn a little more about the fun activities they participated in.

YEAR 6 UNIFORMS - 2020

Orders are currently being taken for personalised Polos and Jackets for our 2020 Year 6 students. The Year 5s have voted on their Polo and Jacket design. Please ensure you place your order by October 31. Details for ordering are on Compass.

MISSED PHONE CALLS

When EVPS staff phone you and you do not answer they leave a message. Please listen to these messages so that when you are able to ring the school back our office staff know who to transfer your call to. We have almost 150 staff members so it is important that you can tell the office staff who you are needing to speak with.

TAKING CARE OF OUR BOOKS

We love that our students have a wide variety of take home reading and library books to borrow. We ask that you assist your child to value these books by keeping them in a safe place when not in use and using the school satchel to keep them waterproof and safe when being taken to and from school. We thank everyone for respecting our resources. If you do not have a satchel they can be purchased from the office for \$15 on a Monday, Wednesday or Friday or from the uniform list online every day.

**MULTICULTURAL SCHOOL**

One of the things I really value about our school is the multicultural mix of families and the things that I learn about so many different cultures. As each celebration approaches I enjoy hearing from the students the exciting things planned by their families. One of the most colourful celebrations is Diwali also known as the Festival of Lights. Not only are the colours and lights beautiful but so is the wonderful food eaten at this time. I am looking forward to October 27th.

Pedestrian Safety - Walking with Children aged 0- 12 years old

Our school supports students and families walking for leisure and transportation. Not only is this a great way to stay fit and healthy, but it helps reduce traffic on the roads and helps the environment.

It is important to stay safe when walking though, so remember these tips:

STOP, LOOK, LISTEN, THINK

To be a safe pedestrian, use your eyes, ears, judgement and common sense. Follow the safe road crossing procedure – stop, look, listen and think:

- **STOP** one step back from the kerb or shoulder of the road if there is no footpath.
- **LOOK** in all directions for approaching traffic.
- **LISTEN** in all directions for approaching traffic.
- **THINK** about whether it is safe to cross the road – when the road is clear or all traffic has stopped.

Research shows that young children do not have the skills and experience to be safe in traffic on their own. So take special care:

- Up to 5 years - Parents/carers must always hold childrens' hands when near traffic or the road. Once a child is mobile, especially walking, they must never be left unsupervised. Young children lack the skills, knowledge and judgment to be able to cope with traffic and so need to be constantly supervised.
- 5 years to around 10 years - Parents/carers can help children by providing plenty of practical supervised experience in using the road safely, as a part of the journeys taken every day. Research shows that children under age 12 do not have the skills and experience to be safe in traffic.
- Up to around 11 to 12 years – children should be supervised by an adult in traffic. Teach them safe traffic behaviour and set a good example.
- From 11 or 12 years – children may become more independent in their travel, however in complex traffic situations they still require supervision. Check regularly to ensure that children remember and follow safety procedures. Work with them to plan safe walking and cycling routes.

How do I apply for the CSEF Uniform Package?

Applications are made through your child's school. Please refrain from contacting State Schools' Relief directly as staff are unable to accept applications from parents or families. Should you have any questions, or wish to apply for assistance, please speak with your child's 2020 school.

How do I receive the uniform package?

- All items and/or vouchers provided by SSR will be delivered directly to your child's school. The school will then contact you to arrange handover of these items and/or vouchers.
- The voucher will advise whether you collect items from the school uniform shop or a retailer. If it's a retailer, please check with your school to find out the nearest store.
- If a uniform item costs more than the maximum subsidised amount, State Schools' Relief is unable to cover any further cost.
- If a uniform item costs less than the maximum subsidised amount, the difference cannot be redeemed or transferred to an alternate uniform item.

Please note vouchers are not transferrable and cannot be exchanged for cash; they cannot be used to purchase extra items and only the uniform item listed can be purchased with the voucher. State Schools' Relief does not make cash payments to schools or parents.

Terms and Conditions

- Only Year 7 students for 2020 that qualify for CSEF are automatically entitled to a uniform pack.
- Each student is eligible for only one CSEF uniform pack.
- All vouchers have an expiry date, which is included on the voucher. Vouchers must be redeemed within the time frame specified.
- Expired vouchers cannot be redeemed and will need to be reissued if they have expired
- If uniform items cost less than the stated subsidised amount on the voucher, any unused subsidy cannot:
 - be transferred to a different uniform item
 - be used to purchase an extra item; or
 - provided as cash to the school or the parent.

What you need to do

Your child's school will be in contact with you to order the 2020 uniform package.

SCHOOL BAGS
