STUDENT LEADER PRESENTATIONS

With the current Covid restrictions now in place we had to cancel our planned presentation on Wednesday. Fortunately our invited guest speaker is really keen to present the awards so we will endeavour to reschedule this event before the end of the term.

PARENT FEEDBACK

Over the past fortnight we have received a number of emails and phone calls with both positive and constructive feedback. Feedback gives us the opportunity to pass on compliments, review processes and make adjustments if required. We don't always get it right but please be aware that we do not deliberately try to make mistakes and that once we know about an issue we do review incidents and remind, adjust and change instructions as needed.

One of the things that people sometimes tell us is that they are disappointed that the nurse didn't do something. We are a very large school with one nurse who sees a lot of students in a day. The paperwork or phone calls can be very time consuming and are often completed later after the first aid is administered. We do our best and are continually looking at ways to improve our operations so please be assured that your feedback, both positive and constructive is considered.

⇒ Just a reminder to please keep your child home if they are ill especially with gastro symptoms as these can spread quickly though work places. Students with long hair should be encouraged to wear their hair tied up as there are a number of cases of head lice currently in the school.

BOOK FAIR

Thank you to everyone who supported our Book fair and a big thank you to the Admin Staff for their work with setting the fair up and managing the sales. The school gained \$ 2580 worth of books which is terrific for our Library resources.

PLANNING FOR 2022

Please enrol your child for prep if you are intending to send them to our school in 2022. Please do not forget to let the office or me know if you are intending to send your child to another school in 2022. Early notification will assist us to plan for the correct number of grades and teaching and support staff.

CONGRATULATIONS

More baby news for EVPS. Last week Brett Zorzi one of our PE/Digital Learning teachers and his wife welcomed a son, Zac Peter into the world. The family is doing well and we offer our congratulations to them on the safe arrival of Zac. The girl arrivals still outnumber the boys in staff babies.

LATE ARRIVALS AND EARLY PICK UPS

Please do not ask for early pick ups for your children unless it is an absolute emergency as there are far too many parents requesting early pick ups especially when it is raining. I cannot believe that there were 87 students going home early on Tuesday for appointments.

Thank you to the families that are making a greater effort to have their children through the gates before 9am each day. School starts at 9am and we expect our staff to start teaching at 9am.

CURRICULUM DAY

EVPS HOUSE ATHLETICS CARNIVAL 2021

We are holding our annual EVPS athletics carnival on **FRIDAY JUNE 9th** for all year 4, 5 and 6 students down at the Meadowglen International Athletics Track (McDonald's Road, Epping).

The permission form is on COMPASS and the due date is **WEDNESDAY JUNE 2nd**.

This day will give all students the opportunity to be measured and timed in a number of track and field events. I will require helpers on the day to assist with recording times and measurements, timing students, raking sand pits etc. Please contact Sebastian Scanu at Sebastian.scanu@education.vic.gov.au at the school if you are available to assist on the day as soon as possible and the name of your child and the class they are in.

You will be required between the hours of 9.15-2.30pm. Let me know if you have a preference for a particular event on the day.

Mark this day in your diary.

UPCOMING WINTER WORKOUT TIPS

With the cold weather now setting in, it is often more tempting to stay indoors than brave the outside and exercise. But it is just as important to exercise and be active in winter as it is in warmer times. Keeping your family active over winter can lead to a stronger immune system, making you less likely to catch colds and flu. And being outdoors in the fresh air (no matter how cold the air is!) also means you are not breathing in as much 'indoor air' which may be contaminated with colds and flu. You should feel warmer and reenergised after exercise as well! So what are you waiting for (summer is 7 months away still!!).

Grab a coat, hat and warm shoes and head out for a family walk or other type of physical activity.

Remember these exercise tips during winter.

Warm up - Cold temperatures can make your muscles tight and prone to injury. Make sure you do a thorough warm-up prior to your exercise. (eg jogging on the spot or some star jumps)

Insulate your body - If exercising outdoors, wear layers of clothing. Layering provides the most effective heating method and allows you to remove the top layer if you get too hot.

Drink up - It's just as important to stay hydrated when exercising in winter as it is in summer, even though you might not feel as thirsty.

Epping Views Primary E-waste collection

Take your E-waste to a better place!

To make recycling e-waste easy, we will be hosting an e-waste recycling skip from **Monday 31 May - Monday 21 June.**
