HERE WE GO AGAIN—POSSIBLE SHORT LOCKDOWN

The state is awaiting a government decision as to whether Victoria will go into a short lockdown period to arrest the growing number of COVID cases and exposure sites. No official announcement has been made as yet and so we will send home some student supplies such as pencil cases, readers, book to write in etc in case we are not at school tomorrow. Please access Compass later today to ensure you receive our notice as to whether students are expected at school tomorrow or if they will be working from home.

CHANGES TO SCHOOL ACTIVITIES THIS TERM

Due to changes in staffing, unavailability of a camp site already booked and now COVID interruptions we are having to make some changes to planned activities. Please read the Compass emails and posts to ensure that you are aware of any changes to dates that may affect your child.

PREP ENROLMENTS FOR 2022

If you have a child turning 5 before April 30 next year and you are sending them to our school please enrol them as soon as possible so that we can plan effectively for classes, teachers etc.

WET WEATHER CHANGE OF CLOTHES

When we have extremely wet weather the grounds do become muddy and students can have accidents and end up covered in mud. The school has run out of spare clothes so if you have any spare school uniform items that you would like to donate to the school to use in emergencies we would be very grateful. It might be a good idea if you pack a change of clothes in your child's bag.

HOLIDAY BREAK

I hope you were able to recharge your batteries over the holidays. I was very fortunate to be able to make several trips to the beach and my favourite ice cream shop as well as a quick trip interstate to see my grandchildren.
