INFORMATION OVERLOAD

Right now there is a lot of information around regarding next steps and what people, shops, schools etc need to do as we begin to return to normal practices. One thing we do know is that as we move forward our normal will be a covid normal and there will be expectations placed on everyone in the community to follow Health Regulations to maximise the safety of everyone.

- ★ Our Prep students will return to school on Monday 18th October and then our Year 1 and 2 students on Thursday 21st October.
- ★ The Prep, Years 1 and 2 students do not have to wear masks when in classrooms.
- ★ Students onsite in Years 3-6 are required to wear masks in classrooms so the students attending onsite now in Years 3-6 are required to wear masks inside.

The instructions from DET regarding masks are that students in Years 3-6 are to wear the masks when indoors and that the masks do not have to be worn when outside. Students can of course choose to wear their mask the whole time they are at school.

All adults on site will wear masks both inside and outside unless they have an exemption and/or they are required to remove the mask for the benefit of a student e.g. hearing impairment.

We ask parents to drop and collect their Prep students at the gates to minimise the number of people on site.

Please remember to wear your mask and physically distance outside the school gates.

FAREWELL AND THANK YOU

Pam Trajanoska the classroom teacher in 6PT is finishing up today. We thank Pam for her work with our students and wish her all the best as she awaits the birth of her first baby. Mr Jesse Roche a regular CRT in our school will take 6PT for the remainder of the year.
